SKILLS

Java	OOPs	DBMS	DSA
HTML	CSS	Javascript	SQL

PROJECTS

[The Hungry Helper](#)

Tech Stack: React JS, Express, Node, MongoDB

- **Displays food items only for users within a specific radius**, by using browser Geolocation API.
- **Users can update details, view previous orders** through a dedicated panel.
- Allows adding items to the cart without logging in, **supports conditional coupon usage**.
- Integrated Stripe for card payments, along with the convenient option for cash on delivery.
- Users **receive email updates at various stages of the order process** which leads to better user engagement.
- **Separate admin panel** to update food items, monitor users, and manage orders.
- Hand coded over 500+ lines of CSS fully responsive for both large & small devices.

[URL Shortener](#)

Tech Stack: React JS, Express, Node, MongoDB

- A full stack application where users can generate a short URL of their own for their long urls.
- Hand-coded custom APIs for generating short URLs and mapping them to long URLs.
- Used **Nanoid to generate unique random codes** to serve as the short URLs.
- **Implemented a Copy to Clipboard feature** for easy access to short URLs and used local storage to **save previously shortened links** in the browser for convenience.

EXPERIENCE

Groveus Informatics Pvt. Ltd., Siliguri Web Developer Intern	July 2023 - Oct 2023
<ul style="list-style-type: none">• Worked closely with mentors, team members, leads to fix and optimize websites.• Gained valuable experience in web development, involved in redesigning landing pages using HTML, CSS, JS & Bootstrap.• Hand-coded custom HTML/CSS, and optimizing performance for mobile devices.• Gained practical exposure to real-world website operations and understanding how things function in a live online environment.	

ACHIEVEMENTS

SIH Grand Finalist 2023, Nagpur

Developed "Ved Vakya" using React JS, MongoDB, Express, and Node JS, created tons of custom checks which segregated bad books and good quality books, increasing student engagement under the Ministry of Ayush.
